### **WHO WE ARE**

- Established in 2007 with two locations – Montgomery & Gadsden in Alabama.
- We provide patients with excellent pharmaceutical care with an attention to personal service and individual needs.
- We are implementing innovative service delivery methods while enhancing the opportunities for patients to receive access to free care and creating ownership opportunities for the next generation of independent pharmacists.
- We are known for its loyalty customer base, close community ties and niche innovative marketing.
- We provide the best customer experience through the services and advise for our customers.
- We strive to achieve that our employees are not only the best professionals but also highly motivated persons and responsible for the well-being of our customers and the communities we are part of.
